

# Performance Testing Council

## Proposed Membership Structure and Dues Schedule

### Individual Memberships

Individuals may join as Standard, Sustaining, or Academic members. A Sustaining membership is a Standard membership that is pre-paid for three years. An Academic membership is available to students and full-time faculty members.

#### *Individual Membership Benefits and Dues*

| Benefits and Dues                             | Standard                       | Sustaining                     | Academic                       | Non-Member                     |
|---|--------------------------------|--------------------------------|--------------------------------|--------------------------------|
| User account and members-only web site access | Yes                            | Yes                            | Yes                            | No                             |
| Webinars                                      | Standard Fee                   | Standard Fee                   | Standard Fee                   | Standard Fee                   |
| Workshops                                     | Standard Fee                   | Standard Fee                   | Standard Fee                   | Standard Fee                   |
| Votes (elections, bylaws, etc.)               | 1                              | 1                              | 0                              | 0                              |
| Summit Fees                                   | Early: \$400<br>Regular: \$500 | Early: \$250<br>Regular: \$350 | Early: \$400<br>Regular: \$500 | Early: \$650<br>Regular: \$750 |
| Membership Dues                               | \$600/year                     | \$600/year, 3 years            | \$120/year                     | N/A                            |

### Organization Memberships

Organization memberships provide a cost-effective choice when an organization has two or more people it wishes to sponsor. Organizations may join as Standard, Sustaining, or Cornerstone members. A Sustaining membership is a Standard membership that is pre-paid for three years. A Cornerstone membership provides the highest level of sponsorship, recognition, and benefits.
